Seats & Seat Belts

High quality trimmed or untrimmed seats and after market seat belts

If you're looking for a sports bucket seat that provides optimal support while driving, we're pleased to offer high-quality trimmed or untrimmed seats in various colours and styles, including custom options.

Each bucket seat is handmade locally and is specifically designed to provide optimal lateral support and weight distribution, which is especially important while cornering. Thanks to its lightweight steel shell, sturdy wooden base, and removable back cushion, you'll feel confident that the sports bucket seat can hold you safely and securely without compromising comfort.

Available in many colours and finishes, you can install these seats into both old and newer cars. If you're installing a sports bucket seat into an older model, it could be you're able to use the existing runners, but if not, we sell runners separately.

Car manufacturers have had to fit seat belts since 1965, but for cars made before that, we offer a selection of aftermarket belts which can be added to your car, making it safer for you and your passengers. This section will also find our beautiful handmade seats trimmed with PVC or top-quality leather.

SPORTS BUCKET SEATS

BLACK PVC
A traditional sports bucket seat that holds the body snugly but comfortably. Base mounted, height 580mm, length 535mm and width 380mm.

VINTAGE-STYLE SPORTS BUCKET SEAT

Vintage-style sports bucket seat as found in many sporting cars of the pre-war period. Our seats are hand-made locally to our Bromyard premises to a design that echoes that found in many of the great pre-war British sports cars. Shaped to ensure that you are held in place whilst providing support and comfort throughout your journey.

Each seat is finished in black leather as standard but can be supplied in your choice of colored leather if required. The seat is constructed using a steel shell fixed to a traditional wooden base which is supplied undrilled to allow fitment of your own mountings or adjustable runners.

VINTAGE STYLE BUCKET SEAT
A vintage style seat that holds the body snugly but comfortably. Base mounted, height 470 mm, length 440 mm and width 420 mm. Leather covered steel shell, fitted to a wooden base. The base is undrilled. The seat is trimmed in pleated black leather, with a matching removable base cushion
090.840

VINTAGE STYLE BUCKET SEAWIDE VERSION
This vintage seat is a wider version suited to larger vehicles. Height 525mm - Length - 515mm - Seat Base Width - 450mm.
